Thanks Paul - Since these are going to be used by the Secretary I think they may need a little more information like labeling the monuments, WSA's, Wilderness, etc. I'm not sure having the Township and Range info on there is necessary.

Hi,
The Secretary's office is requesting a map of Nevada that shows the location of the Basin and Range and Gold Butte monuments within the state, and similarly of the Cascade Siskiyou within Oregon. They are requesting both maps be able to printed as 8.5 x 11" so they will fit in a binder. If possible, could you please email the map files back by noon tomorrow EST and we can print them on our end.

Please let me know if you have any questions,
